ACRIN 6662

Semi-automated Calculation of Volumes of Enhancing Tumor and Tumor Plus Edema from Routine MR Images in Patients with Malignant Gliomas

Summary of Changes

May 12, 2003

Amendment #1

Cover Page

“Current Edition” has been changed to “Version Date.”

Schema Page

In two instances, the number of readers has been changed from 12 to 16. “4 technicians” has been changed to “8 registered rad. technologists.”

Index

Appendix II has been deleted from the Index.

4.1.3

In the first sentence, “long TR with short and long TE” has been changed to “long TR with long TE,” and the word “technique” has been deleted.

5.1

“and proton density weighted” has been deleted.

7.5.1

In the first sentence, the DX Form has been changed to the LX Form, and Section 9.0 has been changed to Section 8.2. In the sixth sentence, Section 6.3 has been changed to Section 9.0.

7.5.2

This section has been deleted, and the sections that follow have been renumbered accordingly.

7.5.2 (new numbering)

The original section 7.5.3 had been deleted and replaced by the following:

7.5.2 *Completion of Reader Experience Form, Reader Training Form, Software Grading Form, Software Comparison Form, and Tumor Volume Assessment Form*

Each participating reader is obliged to submit the Reader Experience Form (RX) with a current curriculum vitae (CV) attached within one week of receipt. The Reader Training Form (SP) must be filled out

directly after the completion of training. One form must be filled out for each system.

7.5.3

The heading and the first four sentences of this section have been replaced by the following:

Tumor Volume Assessment Forms:

T1- One Month, Eigentool

V1- One Month, 3DViewnix-TV

T3 - Three Month, Eigentool

V3 - Three Month, 3DViewnix-TV

*All the above forms need to be completed for each exam interpreted during the reader's session. **Forms T1, V1, T3 and V3 are all the same data form but represent different time points.***

7.5.4

The ACRIN fax number has been updated. It is now 215-717-0936.

7.5.5

The comma after “taken” has been deleted.

8.0

In this section, the word “Form” has been capitalized when it refers to the title of a form.

8.1.3

The C2 Form has been changed to the T1, V1, T3, and V3 Forms. In the first sentence, “form assesses” has been changed to “forms assess.”

8.1.7

The PRX Form has been changed to the TE and VX Image Pre-Registration Forms. In the first sentence, “This form documents” has been changed to “These forms document,” and in the first two sentences the word “image” has been added before “pre-registration.” In the third sentence, “This form is” has been changed to “these forms are,” and in the fourth sentence “completed form is” has been changed to “completed forms are.”

8.2

In the data collection table, in the third row, the C2 form has been changed to the T1, V1, T3, and V3 Forms. “This form captures” has been changed to “these forms capture.”

The PRX Form has been changed to the TE and VX Forms. “This form documents” has been changed to “these forms document.”

In the last row, the AP Form has been changed to the C-1 Form.

9.0

In the last sentence before the bulleted list, “short and long TE” has been changed to “long TE.”

10.3.1

In the 6th sentence of the first paragraph, “short and long TE” has been changed to “long TE.”

Appendix II

This appendix has been deleted in compliance with ACRIN’s policy of not submitting forms with protocols.
