

ACRIN - 6678 FORM COMPLETION INSTRUCTIONS

A0: Registration/Eligibility Checklist

A0 Completion Instructions

The A0 Form is required to register each participant on the ACRIN 6678 study. Complete Part two/Eligibility Checklist prior to registration to determine and confirm study eligibility. At the time of enrollment, the participant must review, sign, and date the consent. Submit the A0 form via the ACRIN data center at www.acrin.org within 24 hours of consent and completion. Please contact ACRIN data management for manual study registration, in the event that the website is down.

All available dates should be reported as MM-DD-YYYY. Code all questions unless otherwise specified; do not leave mandatory questions blank. Please note that online logic requires dates to be after 03/01/2007, but no later than current date.

Instructions and tips for completing this form are provided below. If further clarification is required for any question on the form, please contact the ACRIN Data Management Center.

****For web entry please use 1=no, 2=yes, and 98=n/a for all yes/no questions. When registering a Group C participant, please enter '98' (not applicable) for questions that apply to Group A and B only.**

Q 4: Must be prior to study entry.

Q 16 and 17: Must be equal and a current or future date.

Q 25: Please leave blank on the web if registering a Group C participant.

Q 45: Please select the treatment arm that the participant is being registered to.
