CARE Abstractor completes DX Form

Site contacts PCP & provider to whom Results Letter was mailed [b]

F/U Done

1. Obtain relevant records based participant report
2. Complete FL Form

CARE Abstractor completes DX Form

Complete FL Form

[a] Possible reasons: (1) Provider not aware of screening results; (2) Notes show provider advised against F/U; (3) Notes show participant declined F/U; (4) No notes indicating whether diagnostic F/U did or did not occur; (5) Other.

[b] If participants specified that their provider could not be sent the NLST Results Letters, follow local IRB guidelines with respect to contacting providers. Recommendations: (1) Contact provider if this is consistent with local IRB guidelines -OR- (2) obtain permission from participant to contact local provider.
